

# HMC Post-Programme Survey (T1)

This survey is part of a research evaluation of the Himalayan Mountain Challenge (HMC), run by the InSOUL research team. Your answers are confidential; they only go to the research team.

## About You

|                      |        |
|----------------------|--------|
| Unique Tracking Code | 661505 |
|----------------------|--------|

## How you work in a team

The following statements are about what you actually DO in a team. Think of your HMC team. For each statement, mark how often you actually do it. There are no right or wrong answers. **Answer as you are NOW, today.**

1 = Never · 2 = Rarely · 3 = Sometimes · 4 = Often · 5 = Almost always

When there is a difference of opinion in that team...

|    |                                                                                            |     |     |     |     |     |
|----|--------------------------------------------------------------------------------------------|-----|-----|-----|-----|-----|
| 1  | I examine issues until I find a solution that really satisfies me and the other party.     | (1) | (2) | (3) | (4) | (5) |
| 2  | I push my own point of view.                                                               | (1) | (2) | (3) | (4) | (5) |
| 3  | I avoid confrontation about our differences.                                               | (1) | (2) | (3) | (4) | (5) |
| 4  | I stand for my own and others' goals and interests.                                        | (1) | (2) | (3) | (4) | (5) |
| 5  | I search for gains.                                                                        | (1) | (2) | (3) | (4) | (5) |
| 6  | I avoid differences of opinion as much as possible.                                        | (1) | (2) | (3) | (4) | (5) |
| 7  | I examine ideas from both sides to find a mutually optimal solution.                       | (1) | (2) | (3) | (4) | (5) |
| 8  | I fight for a good outcome for myself.                                                     | (1) | (2) | (3) | (4) | (5) |
| 9  | I try to make differences seem less severe.                                                | (1) | (2) | (3) | (4) | (5) |
| 10 | I work out a solution that serves my own as well as others' interests as well as possible. | (1) | (2) | (3) | (4) | (5) |
| 11 | I do everything to win.                                                                    | (1) | (2) | (3) | (4) | (5) |
| 12 | I try to avoid a confrontation with the other party.                                       | (1) | (2) | (3) | (4) | (5) |

1 = Never · 2 = Rarely · 3 = Sometimes · 4 = Often · 5 = Almost always

In that team...

|    |                                                                                                                         |     |     |     |     |     |
|----|-------------------------------------------------------------------------------------------------------------------------|-----|-----|-----|-----|-----|
| 13 | I proactively develop and make suggestions for issues that may influence my team.                                       | (1) | (2) | (3) | (4) | (5) |
| 14 | I proactively suggest new ideas which are beneficial to my team.                                                        | (1) | (2) | (3) | (4) | (5) |
| 15 | I raise suggestions to improve my team's way of working.                                                                | (1) | (2) | (3) | (4) | (5) |
| 16 | I proactively voice out constructive suggestions that help my team reach its goals.                                     | (1) | (2) | (3) | (4) | (5) |
| 17 | I make constructive suggestions to improve how my team functions.                                                       | (1) | (2) | (3) | (4) | (5) |
| 18 | I advise other teammates against undesirable behaviours that would hamper the team's performance.                       | (1) | (2) | (3) | (4) | (5) |
| 19 | I speak up honestly about problems that might cause serious harm to my team, even when others disagree.                 | (1) | (2) | (3) | (4) | (5) |
| 20 | I dare to voice out opinions on things that might affect my team's efficiency, even if that would embarrass others.     | (1) | (2) | (3) | (4) | (5) |
| 21 | I dare to point out problems when they appear in my team, even if that would hamper relationships with other teammates. | (1) | (2) | (3) | (4) | (5) |
| 22 | I proactively report coordination problems to the person leading the team.                                              | (1) | (2) | (3) | (4) | (5) |
